

Berks County Dog Training Club
DOGS WITH SPECIAL NEEDS - 2016

The Berks County Dog Training Club is proud to offer a program designed for dogs who have not gotten off to a good start. The class is designed as a preparation for obedience classes as well as life. Teach your dog how to walk on a leash, sit, come as well as “leave it” and the application of these skills to your dog’s problems. Other issues that will be addressed: housebreaking, chewing, mouthing, jumping up, food bowl aggression, place and toy guarding plus more. This is not a class for dogs who have a history of causing dogs or people to seek medical help for a bite.

One of the best things you can do for your dog is to train him or her as soon as possible. It is never too late to start. Learning how to be the leader your dog needs is the first, important step.

COST: \$140.00 for Non-Members (this includes 6 weeks of this Household Manners class, 8 weeks of club’s Basic Skills Class, plus a club membership with training the rest of the year).
\$35.00 for Club Members (Manners class only)

Orientation for all classes are at 7PM **WITHOUT YOUR DOG.**

Spring orientation is April 19, with classes on a Wednesday beginning April 27.

Spring and Summer: held on a Wednesday at Liberty Fire Company, Ralph and Ruth Sts, Sinking Spring at 7PM.
